1083m2 A great opportunity here, to buy right in the path of progress!!!! Looking for location, this block of land definitely has that!!! with the harbour and proposed coastal developments in front and a park at the rear boundary. This block of land is zoned 'Medium Density' and it's in a small finger of medium density housing with the harbour and ocean on one side, the protected mangrove area behind and the river at the end of the street. Walk out your back gate through the park to the IGA shopping complex. Properties in this little strip are very tightly held and so the opportunity to buy here is quite special.
