JUST WOW!!! LOOK AT THE LOCATION!!!

It definitely doesn't get much better than this!!! The location is amazing only a stone's throw to the ocean and surrounded by quality homes. This outstanding home has three large bedrooms, two bathrooms and a wonderful indoor/outdoor flow to the gardens, decking and ocean views beyond! The design has an open plan lounge and dining and a well-appointed kitchen with a new cooktop and new dishwasher. Vinyl flooring throughout, new ceiling fans and the roof was new about 6 years ago. It's ready for you to move in, relax and enjoy the view. Outside, the gardens are well established and there's a double carport plus two lock up garages and a workshop. One of the large bedrooms is at the end of the home with a potential kitchenette nook and the second bathroom – this would be ideal for teenagers, granny or even holiday let if you want!! I believe this is a very impressive property and I'm sure it won't last long so call today to arrange your inspection!!
